

GUEST SPEAKER: Lauchlan McIntosh

Topic

“From public speaking to speaking publicly”

Bio

“Lauchlan McIntosh left NBHS in 1963 and worked as a geologist, and mine manager. He headed the Mining Council in Canberra and then the Automobile Association. As a Harkness Fellow he studied at the Massachusetts Institute of Technology and was made a member of the Order of Australia for his work in mining and road safety. He has been an advocate for business, for professionals and consumers.

Lauchlan has led the singing at the NBHSOBA dinner for the past few years, but this year will talk of his experiences speaking publicly. “
