## NEWCASTLE CITY COUNCIL CULTURAL COLLECTION

This extensive collection has many historic images from Newcastle Boys' High School

### Advice on Searching Techniques from Emma Newey

The below link will take you straight to the Newcastle Cultural Collections web page.

<http://collections.ncc.nsw.gov.au/keemu/pages/nrm/index.htm>

This link will take you to the combined site, including the Library and Art Gallery and Sporting Hall of Fame etc. I would recommend clicking on 'Museum' on the left hand side of the page.

After you have clicked on Museum, it will take you to the next page where there are 5 boxes which you can search with - I personally would use the 'Any Field' and 'Notes' boxes if you are searching for anything Caesar Smith (Newcastle Boys' High School) related as I know I put key words in these fields.
