School Song of Newcastle Girls High School

Words by Lila (Sue) McKenna

Tune "When Britain Really Ruled the Waves" - Iolanthe

To us the School holds out the torch
Of Learning, keen and clear;
She lights the golden way that leads
To where Achievements crown the deeds
Of Industry sincere;

repeat once In Knowledge she would make us strong:
To her we dedicate our song

In fields of sport she trains us well,
To play with might and main,
To set the team above renown,
To win ourselves a better crown -
True fellowship to gain.

repeat once In Service she would make us strong:
To her we dedicate our song.

With Courtesy and Kindliness
She paves the path we tread;
And in our hearts her light will shine,
With Understanding's grace divine,
When days of youth have fled.

repeat twice In Wisdom she would make us strong:
To her we dedicate our song.

School Song of Newcastle Boys High School

Words by R.G. Henderson and Hodge

Tune: "D'ye ken John Peel?"

Smith House boys, here's a song for you
Hunter and Hannell and Shortland too,
Sing it as our father said it loud and true
As they climbed up the hill in the morning.

Chorus:

Yes when we are gone in the years far ahead
When the last game's played and the last lesson said
The name of the school will awake from the dead
The memories of many a morning.

Serving straight in a hard-fought match
Sprinting for the tape or a puzzling catch.
The 'blues' from the limit man to the scratch
Will still do their best night and morning.

(Chorus)

Remis Velisque's the motto for all
And our hearts yet again will still hear it call
When the muscles are stiff that once toed the ball,
Or climbed up the hill in the morning.

(Chorus)
