Taken on the same day as the general 1960 group & class photos, a spur-of-the-moment shot of some Cadet Unit members at the front of the school. The only two names I remember are, Geoff Wright in the middle front & Trevor Williams 2nd left at the back.

Bill Childs Thanks James - Oh! to be young again 🤔 - I am 2nd from the left (back row, or second from the right as you look at it - the tall lanky one) Cadet Under Officer William (Bill) Childs - far right back row (wearing a beret) CUO Robin Horsfield - far right front row Sgt Ian Savage - on my left Sgt Major Chester Hines - my memory fails me for the rest.
