*These words from Lindsay's sister, Robbie Gordon.*

My brother, Lindsay James EWING. born 21<sup>st</sup> November 1946. Died 2nd April 2018.

Attended Warner's Bay Primary School.

At NBHS he was in 1<sup>st</sup> year 1959. He was only there for that year – went to Knox Grammar for the remainder of High School but kept in touch with his NBHS mates – he organized their year reunions for the OBA and also independent gatherings for that 1962 "lot". He died whilst organizing yet another reunion for those old boys, in 2018.

He was a two-year trained Mathematics & Science teacher from Newcastle Teacher's College. He converted that to a B.Sc. degree as an external student through University of New England.
