

GAUDEAMUS IGITUS

Gaudeamus igitur
Iuvenes dum sumus
Post iucundam iuventutem
Post molestam senectutem
Nos habebit humus
Nos habebit humus.

Ubi sunt qui ante nos
In mundo fuerunt?
Transeas ad superos
Abeas ad inferos
Quos si vis videre
Quos si vis videre.

Vita nostra brevis est
Brevi finietur
Venit mors velociter
Rapit nos atrociter
Nemini parcetur
Nemini parcetur.

Vivat Academia
Vivant professores
Vivat membrum quodlibet
Vivant membra quaelibet
Semper sint in flore
Semper sint in flore.

POPEYE

CHORUS:

I'm Popeye the Sailor man
I'm Popeye the Sailor man
I'll fight to the finish 'cause I eat my spinach
I'm Popeye the Sailor man.

I'm one tough gazookus that hates all palookas
What ain't on the up and square
I biffs 'em and buffs 'em and always outroughs 'em
And none of 'em gets nowhere.

If anyone dares to risk my fist
I biffs and I buffs, understand;
So keep good behaviour, that's your one life-saver
With Popeye the Sailor man.
(Back to Chorus).

WAGON WHEELS

Wagon wheels, wagon wheels, keep on aturnin' wagon wheels.

Roll along, sing your song, carry me over the hill.
Go 'long mule, there's a steamer at the landin'
Waitin' for this cotton to load.

Go 'long mule, the boss is understandin'
There's a pasture at the end of each road.
Wagon wheels, wagon wheels, keep on aturnin', wagon wheels,

Roll along, sing your song
Wagon wheels, carry me home
Wagon wheels, carry me home.

LAZYBONES

Lazy-bones, sleepin' in the sun,
How do you spec' to get your day's work done?
Never get your day's work done
Sleepin' in the noon-day sun.
Lazybones, sleepin' in the shade,
How do you spec' to get your cornmeal made?
Never get your cornmeal made,
Sleepin' in the evening shade.
When 'taters need sprayin'
I bet you keep prayin'
The bugs fall off of the vine,
And when you go fishin', I bet you keep wishin'
The fish won't grab at your line
Lazybones, sleepin' all the day,
How do you spec' to make a dime that way?
Never make a dime that way,
Sleepin' all the livelong day.

TWO LITTLE GIRLS IN BLUE

Two little girls in blue lad,
Two little girls in blue;
They were sisters, we were brothers,
And learn't to love the two.
One little girl in blue lad,
Who won your father's heart,
Became your mother, I married the other
But now we have drifted apart.

ISLE OF CAPRI

'Twas on the Isle of Capri that I found her,
Beneath the shade of an old walnut tree
And I can still see the flowers blooming 'round her,
Where we met on the Isle of Capri.

She was as sweet as a rose at the dawning,
But somehow fate hadn't meant her for me
And though I sailed with the tide in the morning,
Still my heart's on the Isle of Capri.

Summer time was nearly over,
Blue Italian sky above,
I said, "Lady I'm a rover,
Won't you spare a sweet word of love!"

She whispered softly, "It's best not to linger,"
And then as I kissed her hand I could see,
She wore a plain golden ring on her finger;
'Twas goodbye on the Isle of Capri.

VALLEY OF THE MOON

Down the lane we'll meet by the roses
In the valley of the moon,
And I lost my heart by the roses,
In the valley of the moon.

We kissed and said good-bye,
She cried and so did I,
Now do you wonder why, I'm lonely;
But we'll meet again by the roses,
In the valley of the moon.

WHEN I GROW TOO OLD TO DREAM

When I grow too old to dream
I'll have you to remember,
When I grow too old to dream
Your love will live in my heart.

So kiss me my sweet,
And so let us part
And when I grow too old to dream,
That kiss will live in my heart.

THE MAN ON THE FLYING TRAPEZE

Oh! Once I was happy but now I'm forlorn,
Like an old coat that is tattered and torn;
Left in this wide world to weep and to mourn,
Betrayed by a maid in her 'teens.

This maid that I loved she was handsome
And I tried all I knew her to please,
But I never could please her one quarter so well
As the man on the flying trapeze!

He floats through the air, with the greatest of ease,
The daring young man on the flying trapeze,
His actions are graceful, all girls he does please,
And my love he has stolen away.

DAISY

Daisy, Daisy give me your answer do,
I'm half crazy all for the love of you;
It won't be a stylish marriage,
I can't afford a carriage,
But you'll look sweet, upon the seat
Of a bicycle built for two.

Newcastle Boys' High School

Annual Speech Night

TOWN HALL, NEWCASTLE

3RD JUNE, 1936

7.45 P.M.

The Mayor, Ald. H. Fenton
Chairman

N. R. Mearns, B.A.

 Community Singing: R. J. GILLINGS, Esq.
 Piano: G. GARRATT, B. M. HOGAN
 Play produced by K. BARNARD, Esq., and H. YELLAND, Esq.

SCHOOL SONG

Smith House boys, here's a song for you,
 Hunter and Hannell and Shortland too,
 Sing as our fathers sang it, loud and true,
 When they climbed up the hill in the mornings.

CHORUS:

Yes, when we are gone, in the years far ahead,
 When the last game's played and the last lesson's said,
 The name of the school will awake from the dead
 The memories of many a morning.

D'ye mind the School on the hill so high,
 Bravely facing the winds and the sky,
 While the waves sang their song to the beaches nigh,
 As the bell went for School in the morning?
(Chorus)

Serving straight in a hard-fought match,
 Sprinting for the tape or a puzzling catch,
 The "blues," from the limit man to the scratch,
 Will still do their best, night and morning.

(Chorus)

Remie Velisque's the motto for all,
 And our hearts yet again will still hear its call
 When the muscles are stiff that once toed the ball,
 Or climbed up the hill in the morning.

(Chorus)

But we'll sing a song of a modern day,
 Of a broad green park and a quiet way,
 Where the song of the waves is a memory grey,
 Yet we still hear the bell in the morning.
(Chorus)

1935

LEAVING CERTIFICATE—55 Passes

BEST PASSES (Aggregate): R. G. Outten, A. B. Hogan, P. A. Rundle, G. Gibson, C. Reines.

BEST PASSES (Individual Subjects): (Eng.), N. Braye; (Lat.), C. Reines; (Fr.), A. R. Naylor; (Ger.), A. R. Naylor; (Maths.), R. G. Outten; (Mech.), T. J. Rodgers; (Mod. Hist.), W. Anderberg; (Anc. Hist.), C. J. Kibble; (Phys.), G. Gibson; (Chem.), S. Mudford; (Geog.), R. C. Jones; (Econ.), S. T. Jones, K. Roarty (aeq.).

HONOURS—

English: N. Braye, C. Kibble.
 History: W. Anderberg, S. Jones, S. Mudford, T. Mayo, C. Reines, B. Tyndall.
 Latin: C. Reines, G. Laycock.
 French: A. R. Naylor.
 German: A. R. Naylor.
 Mathematics: A. B. Hogan, R. G. Outten, G. Gibson, S. Rodgers, G. Desgrand, N. Cornally.
 Physics: G. Gibson, A. B. Hogan, P. Rundle, R. G. Outten, N. Cornally, D. Carlton.
 Chemistry: P. Rundle, S. Mudford, A. W. Geddes, A. Greenwood, T. Gunderson, J. Mackay.
