

RIGBY, Russell – Hunter Living Histories Tribute

On 16 October, the Coalfield Geology Council of NSW wrote, on the death of Year of '68 Old Boy Russell Rigby on 28 September 2019:

On Sunday 27 October there will be a Wake/Celebration/Tribute function which will be an informal, family orientated afternoon picnic for all school friends, workmates, orienteers, park-runners, colleagues. It will be a time to share the fun stories and reminiscences.

The function will be held at Wallsend Brickworks Park.

A brief tribute has been posted by the University of Newcastle Hunter Living Histories at <https://hunterlivinghistories.com/2019/09/28/russell-rigby/>
